POWERLINE POWER RACK

Powerline by Body-Solid's PPR1000 Power Rack offers features and reliability on par with our commercial-grade Power Racks at a lower cost.

PPR1000

The PPR1000 Power Rack can be expanded and customized with a number of options and attachments to make it ideal for any customer. Measuring at 211 cm tall, this Power Rack is shorter than most commercial power racks making it a great choice for basements, garage gyms or home gym applications. Included with the rack are a pair of j-cups liftoffs and pipe & pin safeties allowing users to safely workout alone with peace of mind.
