

SPIRIT

COMMERCIAL CARDIO 2024

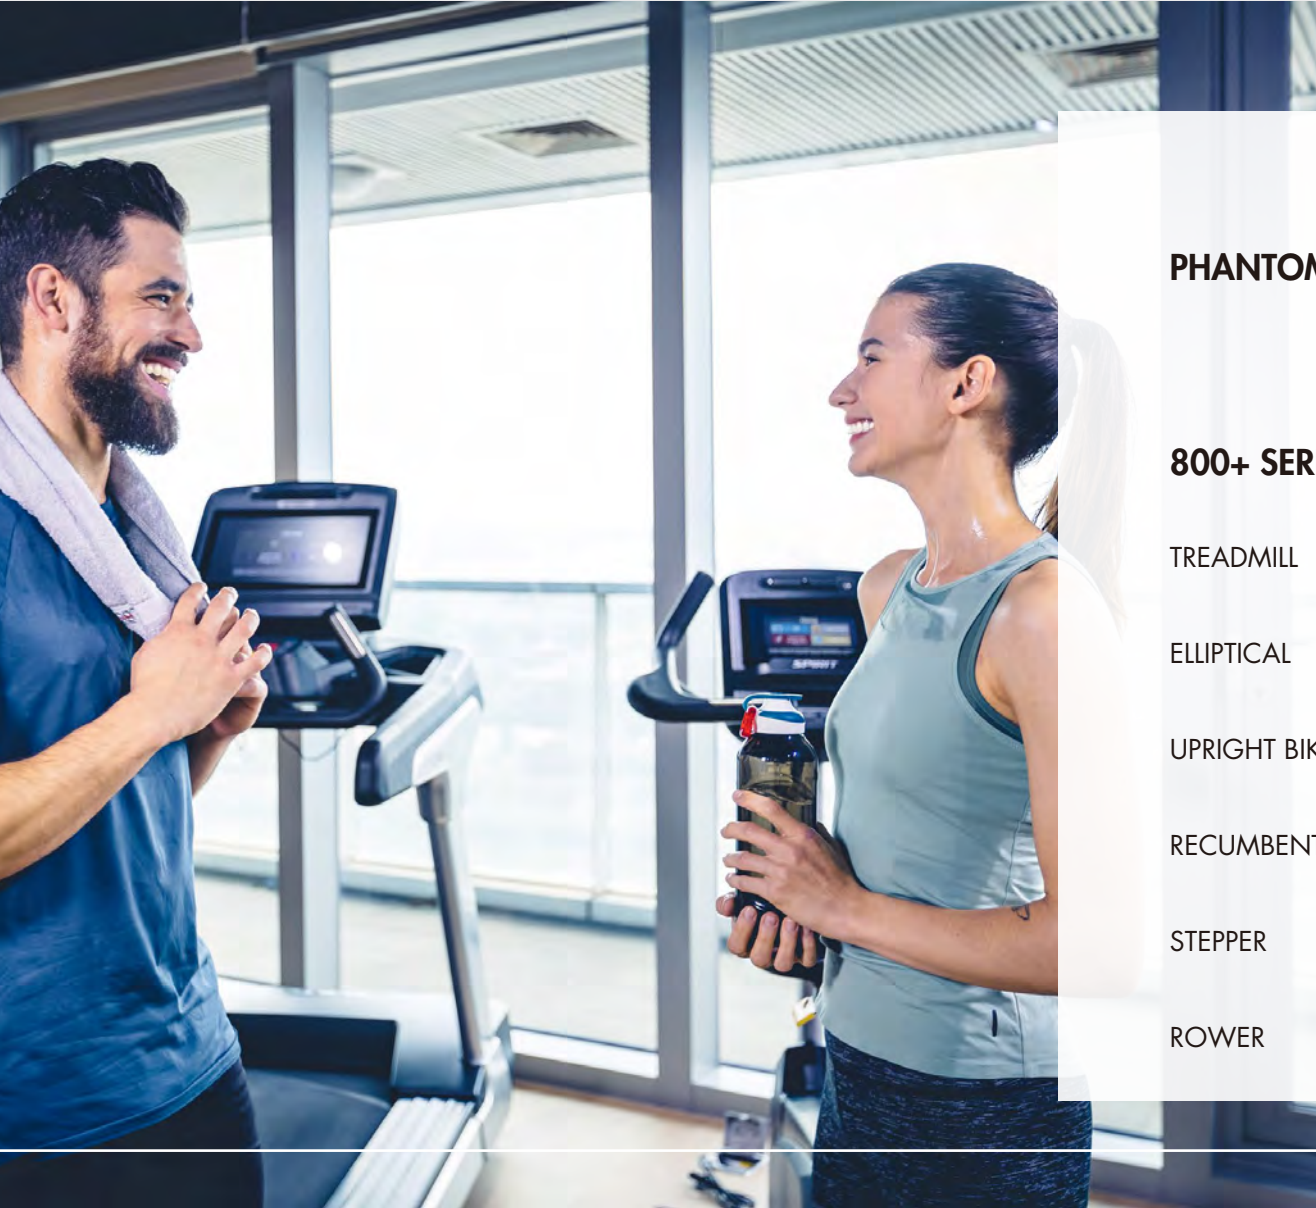

A close-up photograph of a Spirit Fitness treadmill's control console. A person's hand is visible on the right-hand side of the console. The console features a digital display showing '3.23', '63', and '16.2'. Below the display, the word 'SPIRIT' is printed in a stylized font. At the bottom of the console, there are three buttons: a blue button with a fan icon labeled 'FAN', a green button with a play icon labeled 'START', and a grey button with a minus sign labeled 'LEVEL'. The background is blurred, showing the treadmill's deck and rollers.

SPIRIT

We built our first fitness product in 1983, with the simple goal of giving our customers the highest quality equipment to help them achieve their fitness goals. It is that same simple purpose which continues today in designing and developing every piece of equipment that bears the Spirit Fitness name. We make sure that each new equipment design meets the same demanding standards that have crafted the Spirit Fitness brand.

Over the last thirty years, our focus has always been - and will continue to be - delivering a quality experience with our equipment. We understand that our products are an investment and we design them to keep pace with your own long term fitness goals. All of our products are produced in our ISO-certified factories for consistent quality.

Spirit aims to improve the quality of life for everyone. We aspire to boost your lifestyle to the next level. We place customer experience and product innovation at the center of our brand, helping you accomplish your fitness goals through unprecedented product details and features tailored specifically for you.

SPIRIT

Phantom series

Fitness redefined, Phantom unveiled

Phantom Series unveils the pinnacle of fitness innovation and excellence. Embrace the perfect balance of sleek elegance with top-quality performance. Every piece of Phantom is crafted to be the ultimate solution for any fitness environment. With Phantom, there are no boundaries for success.

SPIRIT

RIGOROUS TESTING

The Phantom line surpasses 10000 hours/108kg heavy-duty testing, ensuring that each piece of equipment withstands even the most demanding usage.

LOW PROFILE

The Phantoms exude a sleek look with Spirit's iconic graphite grey. A timeless design that complements any facility.

WIRELESS MIRRORING

With just a few taps, effortlessly cast your phone onto the 1080p HD, 15.6'/21.5' console screen.

SPIRIT

PHANTOM TREADMILL

FEATURES

- Large 21.5" touchscreen with screen mirroring, TV, and streaming/news/social media apps
- Tablet design with a minimalist appearance and an intuitive layout for easy navigation
- Powerful and durable 5.0HP AC driver system with up to 24 kph speed
- Oversize pulleys and 12 groove poly-v belt with tensioning idler reduce system stress for added reliability
- Spacious 560 x 1575mm running surface provides confidence and security

Phantom Treadmill combines our workhorse heavy duty commercial with a NEW, modern and engaging console interface. Boasting an impressive 21.5' TFT crystal clear, touch sensitive screen and designed to be user-centric and intuitive. Loaded with entertainment options from preprogrammed apps to mirror casting from your device to direct connection with HDMI. The treadmill robust construction and premium-grade components give users a smooth workout experience, while giving owners the peace-of-mind to know their equipment will live up to the rigors of consistent use.

SPIRIT

COMFORTABLE SEAT

A comfort molded seat allows users to work out for longer stretches with maximum enjoyment.

DURABILITY

All Spirit Fitness bikes are built with extra-heavy-gauge steel tubing to give them a stable base, and use high-quality bearings rather than bushings to ensure a longer life and smoother cycling action.

INTEGRATED WINDSCREEN

Standard, integrated windscreen to prevent blowback for user comfort.

CR900 RECUMBENT BIKE

Optional TV Bracket
Available, Built in Power Port for TV Remote

FEATURES

- Step-through design allows users to easily enter the moulded foam seat.
- Seat adjusts to accommodate users of varying heights.
- Electromagnetic resistance system provides power and 40 levels of increasing intensity.
- Ratcheting pedals feature 2-degree inversion for comfortable foot placement.

Built to last, the CR900 Recumbent Bike takes workout ease and comfort to a new level. Step-through design makes it easy for all users to enter and exit the bike. Moulded foam seat that adjusts along the seat rail and quick ratcheting pedals make it easy to get on and go. Commercial crank assembly and extra-large roller bearings provide fluid pedal motion.

DISPLAY

- ① Integrated adjustable fan
- ② Premium, ultra-bright blue LED display
- ③ LED heart rate graph
- ④ Large LED matrix window
- ⑤ Lap counter
- ⑥ Tablet reading rack holder

COMFORT MOLDED SEAT

The seat and backrest are made of high durometer foam pads to keep users comfortable throughout their workout.

FOOT PEDALS

Padded easy in and out ratcheting pedals with 2-degree pedal inversion for a comfortable workout with less stress on your feet.

EASY TO MOVE STEADILY

There are transport wheels integrated into the front floor support tube for ease of repositioning. Simply lift and tilt the front end to roll the unit to your desired location.

SPIRIT

CSC900 CLIMBER

FEATURES

- Automatic stair locking when machine is not in use for entering or exiting the machine.
- Color indication lights around the contact heart rate grips visually display when the machine is in use or standby mode.
- Easy access maintenance panels on either side.
- Extra step-depth keeps shoes from being pinched.

One of the original HIIT workouts, a rotating-stair climber has been one of the toughest machines in the gym for more than 35 years. The Spirit StairClimber features a super sleek design, locking stairs for safety and the largest surface area on the market for multiple foot position training options. Added depth to the stairs keep toes from being pinched while feeling like a natural step motion.

DISPLAY

- ① Multi-window display
- ② Ultra-bright blue LED display
- ③ Easy access program buttons
- ④ Large LED matrix window
- ⑤ Numeric Keypad
- ⑥ 2-Speed fan for workout comfort

SPIRIT

CONSOLE

Multi-window blue LED display with built in fan, integrated tablet rack, and space for accessories.

THE LARGEST STEPPING SIZE

One of the largest stepping surface area of any commercial stair-stepping machine.

REMOTE BUTTONS

Contact heart rate grips, resistance controls, and start /stop switch on handlebars.

SPIRIT

CRW900 ROWER

FEATURES

- 10 levels of water resistance with easy-adjust knob to challenge all fitness levels.
- Timeless wooden and steel frame for lasting performance.
- XL twin tank design with durable multi-bladed impeller for greatly improved resistance range.
- Commercial grade padded handlebar for comfort and durability.

Whether placed in a commercial or quality home studio, this rugged indoor rower never disappoints. Guaranteed to enhance any grand environment, CRW900 is complete with a hand lacquered American Ash Blackwood finish.

Flawlessly reproducing the natural catch and consistent water resistance rowing CRW900 packs a punch with 65% greater resistance than standard fluid models – the perfect rower for solid progression no matter the fitness ability.

DISPLAY

- 1 Interval display panel
- 2 Quick mode buttons
- 3 Bluetooth® button
- 4 Large, easy-to-read display
- 5 Heart rate display panel
- 6 Control keypad

SPIRIT

EASY-ADJUST RESISTANCE KNOB

10 levels of water resistance with easy-adjust knob to challenge all fitness levels.

ADJUSTABLE FOOTRESTS

Padded footrests for ultimate comfort and easy adjustable straps for a secure fit.

BIG TANK

XL twin tank design with durable multi-bladed impeller for greatly improved resistance range.

JOHNNY G SPIRIT BIKE

FEATURES

- Electronically controlled magnetic resistance system with multiple adjustment touch points.
- Solid steel construction and triple powder coated for durability.
- Belt drive system provides the feel of a road bike.
- Proprietary handlebar design for comfort and resistance buttons at your fingertips regardless of ride position.

Over the last 25 years, Johnny G has been engineering the next evolution of indoor bikes.

His newest creation is a beautiful, SLEEK machine of uncompromising design. Johnny has taken the guess work out of working out with his push button magnetic resistance. It allows the user to replicate their last ride for a consistent and rewarding workout every time creating a PERSONAL experience for every ride and rider. Gone are the days of patchwork welded tubes; Johnny's newest creation uses a monocoque steel frame and heavy base. This perfect marriage of vision and practicality allows the back of the frame to flex like the chain-stays on an outdoor bike, creating a response which makes the bike feel ALIVE. Don't settle for the old standard of indoor bikes, your clients deserve to ride the best bike ever built: The Johnny G Spirit Bike.

DISPLAY

- ① Level, RPM, time, distance, watts, and heart rate
- ② Power zone indicator
- ③ Heart rate zone indicator
