

FREE STYLE 2.5 ELLIPTICAL

Whether you are looking to slim down or tone up, the XTERRA Fitness FS2.5 Dual Action Elliptical is the perfect tool to help you train more efficiently.

The FS2.5 provides a great, non-impact total body workout. Your body will be challenged by the 24 levels of resistance and 24 programs. You will be able to monitor your heart rate using the built in heart rate receiver or contact heart rate grips. You will be able to keep track of all of the important feedback data you need on the multi-color backlit LCD display, while listening to your favorite tunes via the audio input jack and console speakers.

Start enjoying the benefits of better health and fitness with your new XTERRA Fitness FS2.5 Dual Action Elliptical.
