

FREE STYLE 4.0e ELLIPTICAL

Are you looking for a way to start down the path to health and adventure? The XTERRA Fitness Free Style 4.0e elliptical will bring home everything you need to start you on the journey towards meeting your health and fitness goals.

The XTERRA Fitness FS4.0e elliptical will deliver a non-impact, total body training session that will burn calories and improve your cardiovascular conditioning. Its ergonomic 46 cm stride length and 21 lb flywheel will provide a smooth, consistent experience, and with the 15 cm blue backlit LCD display, you will be able to easily monitor the progress of your training session.

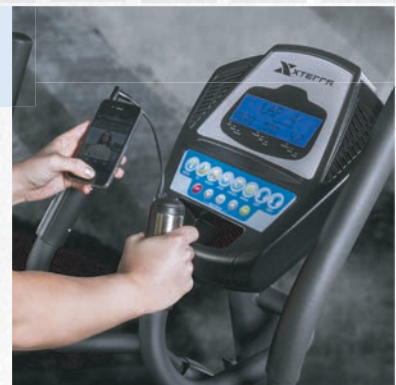

Whether it be losing weight, toning up or increasing your daily energy levels, the XTERRA Fitness FS4.0e elliptical will allow you to train for any of your fitness goals.
