

**MOVE YOUR
SPIRIT**

The CR800 Recumbent Bike is the perfect bike for the commercial environment. The step-through design makes it easy for your clients to get on the bike, and the easy-adjust seat allows them to find the most comfortable position. The console offers multiple programs, most with 40 levels of resistance and enough feedback information to make sure your clients never grow bored of the CR800. The extra-smooth ride comes from the perfect gearing and the integrated generator/flywheel system.

FEATURES:

- Contact and telemetric heart rate capabilities to make the workout more effective.
- Generator powered console means there is no need for electricity.
- Oversized foot pedals with fast latching system.
- High density foam seat for extra comfort during a long ride
