

**MOVE YOUR SPIRIT**

Whether placed in a commercial or quality home studio, this rugged indoor rower never disappoints. Guaranteed to enhance any grand environment, CRW900 is complete with a hand lacquered American Ash Blackwood finish.

Flawlessly reproducing the natural catch and consistent resistance of on-water rowing CRW900 packs a punch with 65% greater resistance than standard fluid models – the perfect rower for solid progression no matter the fitness ability.

Offering smart device connectivity, CRW900 features auto-adjust technology automatically correlating the chosen tank resistance with the console display for more a more accurate and efficient workout.

CRW900 seat height provides you with perfect easy on / off without straining your knees or back . In addition, it also creates a more effective catch/drive position for rowing training.

**FEATURES:**
