

**CU800**

**SPIRIT**

**MOVE YOUR  
SPIRIT**

The CU800 was specifically engineered for the commercial environment, from its heavy-duty steel frame to its durable powder coat paint finish. The design focuses on convenience, comfort, and durability. The console offers multiple programs, most with 40 levels of resistance and enough feedback information to make sure your clients never grow bored of the CU800. The extra-smooth ride comes from the perfect gearing and the integrated generator/flywheel system.

**FEATURES:**

- Contact and telemetric heart rate capabilities to make the workout more effective
- Generator powered console means there is no need for electricity
- Oversized foot pedals with fast latching system
- Dual spring seat with fore/aft adjustment for extra comfort and a custom fit
