

XBR25 RECUMBENT

The XBR25 is our entry level semi-recumbent bike with bright LCD screen, adjustable console angle, cooling fan, and mesh back seat. This unit also offers six programs with extensive console feedback. We've integrated a swivel fan, tablet friendly reading rack, accessory holder, and dual drink holders into the design for maximum convenience.

FEATURES

- Oversized 7.5" bright blue LCD is easy to read with all necessary workout feedback
- Contact and wireless heart rate monitoring options make your workouts more effective (chest strap transmitter not included)
- Adjustable console angle, tablet friendly reading rack, and cooling fan for added comfort
- Easy access fore/aft seat adjustment with large breathable mesh back seat
- Step-through frame design for easy accessibility
- Smooth and quiet drive system featuring sealed roller bearings, large diameter pulley, durable poly-v belt, and heavy-duty flywheel
