

## PRODUCT OVERVIEW

- Adjustable gel seat
- Lightweight ergonomic design
- Bluetooth heart rate monitor
- Bluetooth speaker

It's a fact that most bike users will tell you the number one priority about using an upright bike is being comfortable but yet challenged in the workout. The B94 stationary bike provides both and is used in the comfort and convenience of your own home. The adjustable gel seat, strong frame and ergonomically designed pedals allow for the machine to conform itself to you instead of the other way around.
