

## PRODUCT OVERVIEW

- Top rated elliptical
- Most comfortable elliptical on the market
- Eliminates pain in hips, ankles, and knees
- Having complete control over your workout
- Bluetooth heart rate monitor
- Bluetooth speaker

Fluid natural motion is ensured by four wheels gliding along dual rails and functions in both forward and reverse. Multi-grip position handlebars enable users to find the most comfortable and ergonomic positions to grasp the handles, while oversized foot pedals situated at a 2° inward angle, and 10-position articulating, cushioned foot beds comfortably sustain your body's natural position and reduce impact on the joints and muscles.
