The SOLE LCB is the perfect piece of exercise equipment for almost every need. Built to be durable using quality materials, the SOLE LCB has set a new standard for indoor exercise cycles. In addition to a smooth transition between 40 resistance levels, the SOLE LCB features oversized, cushioned foot pedals coupled with a 2° inward tilt to help align your body in its correct posture. The cushioned gel seat can be adjusted both vertically and horizontally for maximum comfort and ease of use.

LCB
