Title: Community Festivals

ANNCR:

We've waited all year for this. The annual <<LOCAL FESTIVAL>> is right around the corner. If you're heading over to <<CITY>> to get in on all the fun, stop by <<YOUR STORE LOCATION>> to stock up on everything you'll need for the day. Cold drinks, tasty snacks, and of course, plenty of sunscreen for a day in the sunshine. And if you're making it a road trip, fill up your tank and top off your oil while you're at it. Community festivals. Powered locally. At Cenex.
