beruru<sup>®</sup>  
THE GARDEN RESERVE

Beruru is our way of bringing the garden back into city living, wherever in this country you may be.

For the unassuming balcony, the sun-soaked terrace, the little backyard or grounds that stretch beyond the eye can see, Beruru has something for every kind of garden. We've travelled the world to bring you an eclectic range of plants, planters, garden accessories, decor and furniture for indoor and al fresco spaces — all under one roof.
