

SCHUMACHER X BACKDROP

After a successful debut collaboration, we couldn't wait to team up again with our newest sister brand **Backdrop**, the game-changing climate-neutral paint company. Inspired by folk art, maximalist design and nature, **Backdrop II** is an imaginative wallpaper collection that includes whimsical animalia, jazzy geometries and floral fantasias and represents a variety of scales. What's more, each of these inventive designs was devised to coordinate beautifully with Backdrop's premium paints.

BACKDROP I

We are thrilled to present our debut collaboration with **Backdrop**, the game-changing climate-neutral paint company that is also the newest member of the F. Schumacher & Co. family! Backdrop I is an inspired wallpaper collection that reflects an affinity for simple geometries, rhythmic patterns and organic forms. Designed in Backdrop's L.A. studio, each of these wallpapers, which are based on hand-painted works, embodies a soft, modern sensibility and an easygoing, artsy vibe.
