Charlap Hyman & Herrero with Pilar Almon

Charlap Hyman & Herrero is a New York-based architectural firm whose principals, **Adam Charlap Hyman** and **Andre Herrero**, have created award-winning furniture, residential, retail and set designs, in addition to their super-successful collaborations with Schumacher and Patterson Flynn.

We were thrilled to partner with Adam Charlap Hyman and his mother, artist **Pilar Almon**, on this enchanting new group of textiles and wallpapers that are wonderfully imaginative and truly unique. Inspired by an encyclopedic knowledge of decorative arts, this extraordinary collection reflects a sophisticated, cerebral sensibility and a witty, surrealist edge.
