NEISHA CROSLAND

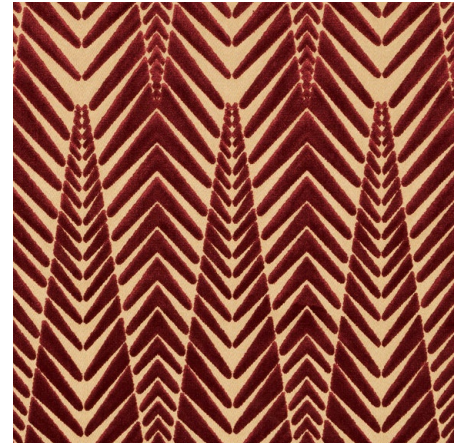

As the exclusive U.S. purveyor of wallpapers and textiles by **Neisha Crosland**, we are thrilled to unveil a collection of stunning **new fabrics and trims**. As always, the London-based pattern designer surprises and delights with textiles that bear her signature elegant geometries, stylized botanicals and unique color combinations. Inspired by an extraordinarily diverse range of sources, these designs are firmly rooted in the familiar—from organic natural forms to dynamic Art Deco motifs—while always imagined with a sophisticated, modern eye.

Interior Design by Neisha Crosland. Styled by Joan Heckermann.
Photography by James McDonald.
