PATTERSON FLYNN

Patterson Flynn, the source for the finest custom carpets and rugs since 1943, is bringing its refined sensibility to the world of fabrics and wallcoverings. With its extraordinary textures and refined tonal palette, **Patterson Flynn Wovens** is a collection of textiles that's elegant but never too dressy. With unmatched craftsmanship and exquisite artistry, these gorgeous designs put an emphasis on natural fibers and luxe finishes that beg to be touched.

Blackburn Merino Plaid is a traditional twill weave made of superfine lambswool yarns that are mélangé spun for a nuanced heathered effect. With its soft hand and elegant drape, this handsome mid-scale windowpane plaid is perfectly suited for upholstery, window treatments and pillows.

Woven in Italy, Outdoor Heavyweight Twill is as stylish as it is sturdy. Created for indoor/outdoor use, this soft textural weave of solution-dyed acrylic has the look and feel of a natural fabric yet resists stains, mold and fading. It's the perfect fabric for poolside cushions and for indoor furniture where children and animals roam.
