

SCHUMACHER PANELS

Panels are a Schumacher specialty and a category where our outstanding artistry and exceptional quality are world renowned. With **Panels**, we've expanded our portfolio of scenic and mural wallpaper designs with an array of unbelievably gorgeous new creations that share a natural theme.

From traditional tree of life motifs to exotic landscapes and enchanting botanical patterns, these panels are wonderfully imaginative, beautifully detailed and extraordinarily special. Perfectly scaled, these luxurious panels can be used around an entire room to create a magical space and are equally dazzling on a single focal wall or as framed decorative elements.
