2015 MENTORSHIP PROGRAM

# Hello & Welcome

TO THE **JACQUE M.** MENTORSHIP PROGRAM, CALLED **L.A.W.**

Dear Mentee:

This program was created to connect young, ambitious women by providing them with the tools necessary to accomplish any business goal. Now, more than ever are we seeing more female entrepreneurs, and it is imperative we help to maintain this trend.

Stepping into the world of entrepreneurship herself in 2011, Jacquem M. has definitely seen her fair share of ups and downs. Eager to share what she has learned, Jacquem felt compelled to give young women, who are new to the world of business ownership, the knowledge necessary to succeed.

By being admitted into this mentorship, you will have full access to Jacquem for tips/questions etc., monthly newsletters that will include additional tips as well as recommended articles and readings, and an exclusive invitation to attend L.A.W. meetings virtually or physically. Each monthly meeting will tackle a different aspect of business, and will feature a guest speaker to reiterate that specific lesson. Each meeting will have priceless takeaways, not to mention a great way to network with professionals in their respective industries.

Congrats on taking your first step to following your dreams, of owning and operating your own successful business. We, here at Jacquem M., look forward to meeting/growing with you.

Sincerely,

**William Aleman**
