**NICK MISSEL**

2021  
SILICONE RUBBER, FOAM  
20" H 27" W 27" D  
\$8,500

Nick Missel creates his “*cubes*” with his signature silicone casting technique. Utilizing everyday materials to create otherworldly forms, Missel expertly mixes and layers silicone to various effects. These functional artworks range from bright, candy-colored cubes to grayscale “negatives” that echo their original remnants, all while offering sculptural seating and surfaces to interior space. Missel’s *cubes* are available exclusively from Exhibition.
