CappyBug COMPANY
The key to your Romp & Roost® LUXE Net Play Yard opening is the hub handle in the middle.

The hub handle needs to be gently pressed down for the hinges to completely close.

This is a unique safety feature of the Romp & Roost® LUXE Play Yard.

1. Undo the mattress straps and set the mattress aside.

2. To open, press down on the center hub directly, the hinges will be opened automatically.

3. Place waterproof sheet on mattress by pulling mattress straps through the holes in the sheet and the corresponding holes in the base of the play yard.

4. Secure straps to the underneath of play yard.

5. If using the waterproof sheet with the divider, zip sides and fasten all snaps.

6. If using the waterproof sheet without the divider, fasten the snaps on the panels together so that no snaps are exposed.

If you have any questions, please email info@rompandroost.com or call us at 1-844 631-4578 and we will be happy to help.
In addition, there is a video of assembly / disassembly on our website www.rompandroost.com
