

Introducing the Essentia Collection, the essential rug collection for any space from Ruggism Design Lab.

Made using the traditional hand-loom technique, these rugs are crafted with the utmost care and precision. The result is a collection of timeless rug designs that are easily customisable and versatile.

The Essentia Collection is customisable, giving you the flexibility to customise colours, sizes and shapes to suit your needs. Whether you're looking for a neutral palette or a bold pop of colour, this collection offers the versatility you need to bring your vision to life.
