

The Essentia Collection by Ruggism is a testament to our deep collaboration with senior artisans and our dedication to the craft of rug weaving. This collection embodies the harmony between traditional techniques and modern design, utilizing the finest yarns such as Linen, Lurex, Mohair, and Pure Silk. These timeless rug designs are easily customisable and can be used for Residential, Commercial and Hospitality spaces.

Each rug in the Essentia Collection features minimalistic designs, offering a variety of textures including luxurious shags, hand-woven naturals, and the regal charm of silk.
