Process

1. Choose the rug you want to customize and download the order form pdf
2. Mention the desired size in feet or cm
3. Each color zone is already marked with numbers
4. Choose colors from Ruggism Bespoke Color Box or Pantone TPG color sets. You can also send us sample/fabric for color match, in that case please write 'Sample match' for that color zone. For keeping the original colors in a zone, please mention 'Original'.
5. Write special instructions, if any. These also include special use cases like Stairs, Wall-hangings etc.
6. Please email the completed form at info@ruggism.com to receive a rendering. We'll also send a quotation to confirm the order.
