

Wanting to add a splash of colour to your Forest & Frolic Play Equipment?

While Forest and Frolic Play Equipment has been treated to withstand weather conditions, giving them a coat of paint, stain or oil will prolong the life of the timber, and can add some personalisation to your piece with colour.

Lightly sand any bare or glossy surfaces (sand until surface appears dull) with 180G sandpaper then clean with Cabot's® Deck Clean to ensure any mould spores are eliminated.

Apply 2 top coats of Dulux Timbacryl® or Dulux Weathershield® tinted to the colour of your choice.

Alkaline Copper Quaternary (ACQ) Treatment

If painting wood that has Alkaline Copper Quaternary (ACQ) Treatment, 2 coats of Dulux Precision® High Opacity Stain Blocker must be applied before applying 2 coats of Dulux Timbacryl or Dulux Weathershield as a top coat.

Please follow instructions on the back of your Dulux products.

Painting Tips

Lightly sand any bare or glossy surfaces (sand until surface appears dull) with 180G sandpaper then clean with Cabot's® Deck Clean to ensure any mould spores are eliminated.

Apply Cabot's / Intergrain® water-based stain or oil in the colour of your choice, 1 to 2 coats depending on the depth of colour desired.

An additional coat will need to be applied once a year for upkeep.

Please follow instructions on the back of your Cabot's or Intergrain products.

Staining or Oiling Tips

Products

Paint: Sealant: Dulux Precision High Opacity Stain Blocker (if ACQ Treatment has been used).

Top coat: Dulux Timbacryl or Dulux Weathershield (both are self priming on most surfaces). A refresher coat could be applied after 5 or so years to maintain colour vibrancy.

Woodcare: Cabot's Deck & Exterior Stain – available as either water based or oil based. Should be recoated yearly for upkeep.

Preparation: Sandpaper – 180G to 220G

Brush: 50mm to 63mm

Colour Options

There are so many colour options available in the Dulux colour range to personalise your product with your own style! If you need help choosing, the team at Guthrie Bowron would be happy to offer some colour suggestions.
