Description:

Introducing the Oztent RS-1 Swag Single. We have taken our revolutionary 30 second frame and turned it into a Swag. No more rolling out your bulky swag and inserting those tricky poles. With the Oztent Swag, you will be set up and sitting by the fire in less than 30 seconds.

NEW FEATURES

Integral Awning Sun Shade

We have re-thought the use of the awning in the Oztent Swag. Now with a reflective underside, you can flip it over the tent to act as a fly. One awning with two uses. Use as an awning during wet weather for maximum waterproofness.

Included Mattress

The Oztent RS-1 Swag comes with a comfortable 25mm mattress. This mattress is also removable so you can keep it clean.

Easy Lift Up System

Just like the original Oztent RV, the Oztent RS-1 Swag works on an easy lift up system so you can setup your tent in less than 30 seconds.

CPAI-84 Flame Retardant

Having a tent that is flame-retardant is more important than you think. Often a swag is camped close to a campfire to keep warm and being rated to CPAI-84 Flame Retardant means the Oztent RS-1 Swag won't easily go up in flames.

King Single Size

We have made sure there is ample room for you inside the Oztent RS-1 Swag. You can lay back at the end of a long day and have a comfortable sleep.
