Customized for musicians, JamStands Karma Carts from Ultimate Support come in two sizes and can morph, stretch and flip so you can roll whatever it is you've got that gravity is currently holding down. When you've finished hauling things in and out of venues, studios, or wherever they had to go- you can collapse your Karma Cart and stow it out of sight until you need it again. JamStands Karma Carts from Ultimate Support are here to lighten the load!
