

Kick Drum/Guitar Amp Mic Stand

JS-KD50 item# 17231

When it comes to setting microphones up for sound sources that reside close to the floor (like kick drums or amplifiers), you need the right tool for the job. The JS-KD50 Kick Drum/ Amp Mic Stand fits the bill perfectly, boasting a solid base for stability and an adjustable height of up to 17". The fixed boom arm adds additional flexibility. The powder-coated finish keeps the JS-KD50 looking good through years of use.
