

## Single-Tier, Multi-purpose Laptop/DJ Stand

### JS-LPT100 item# 17358

While the JS-LPT100 is the perfect laptop stand for musicians and DJs on the go, in the studio, or even in the office; it's also a great option when you need a portable, sturdy stand for elevating a lighting controller, small mixer, CD player, multi-track recorder, or other small electronics! The included surface clamps give added security and flexibility to this versatile laptop stand.
