

JS-WMB100 ITEM# 18603

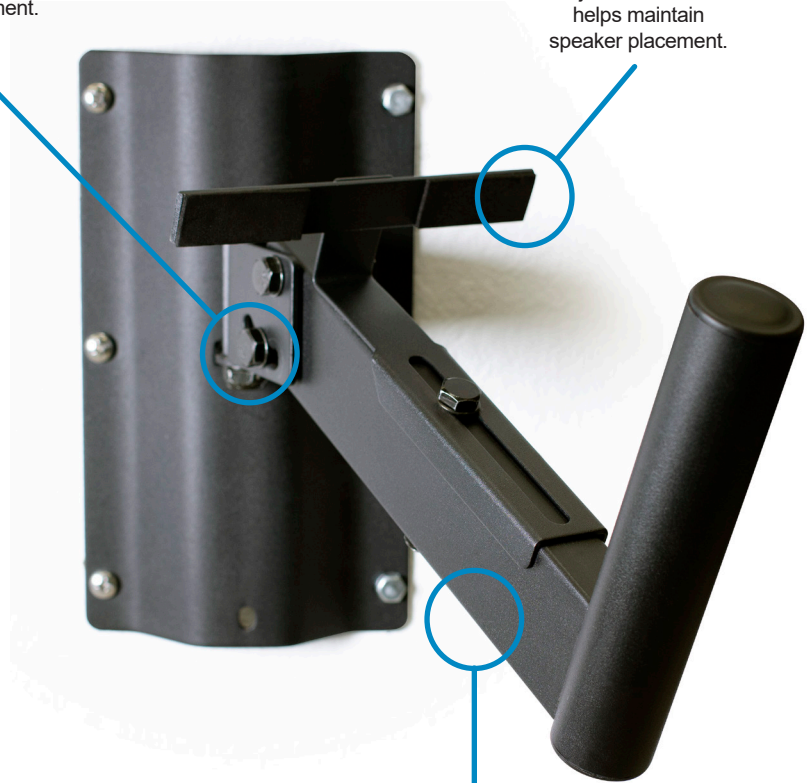

JS-WMB100 Wall Mountable Speaker Brackets are both an affordable and dependable solution for your venue's speaker install. When properly installed, these brackets can support up to 100 lbs. The swiveling, angle adjustable design maximizes the utility of these stands for venues, houses of worship, cafes, bars and more. The JS-WMB100 Wall Mountable Speaker Bracket packaging includes instructions and best practices for mounting. Please be sure and consult this documentation for best results.

WALL MOUNT SPEAKER STAND

Speakers can be angle adjusted from left to right for flexible placement.

Adjustable bracket helps maintain speaker placement.

Three vertical angle settings for increased versatility.
