

ULTIMATE SUPPORT®

GENESIS® SERIES PLUS GUITAR STAND GS-1000 PRO+

Genesis® Series Plus guitar stands from Ultimate Support deliver innovative features and performance in a road ready package. Each model offers our patented leg-locking system for stability. The protective padding on the legs is designed to prevent damage to the finish on your guitar. The new pushbutton lock mechanism on Genesis Series Plus guitar stands is our latest standout feature. Just press the button to lock and unlock the stands for unprecedented ease when setting up and taking down. The best of the best just got **EVEN BETTER**.

GS-1000 PRO+ KEY FEATURES

SELF-CLOSING STAND

Place your guitar into the cradle of the stand and watch the self-closing security gate engage your guitar, safely securing it.

PROTECTIVE PADDING

Protective padding on the legs won't harm your guitar's finish (A high quality case is recommended for long-term storage)

ONE CLICK, LEG LOCKING SYSTEM

One button changes everything. With just the push of a button lock and unlock tripod legs. It's that easy.

HEIGHT-ADJUSTABLE

Easily adjust the height of your stand to fit electric, acoustic or electric base guitars.

PORTABLE

One of the most noticed features of the Genesis Series Guitar stands is their compact design, which allows for efficient storage and transport. This is possible because the legs fold up, not down, and lock in place.
