

Classic Series Mic Stand with Quick-release Clutch & Weighted Round Base – **MC-05**

Innovation and strength are the two cornerstones on which Ultimate Support has built a reputation. The Classic Series microphone stands deliver features such as our patented 3/4 turn clutch, built-in cable management clips, and super stable bases. These competitively priced stands offer quality and features unmatched by their competition. The MC-40 and MC-05 microphone stands are the finest professional mic stands you'll find at entry level prices.

Quarter Turn Clutch

Our Quarter Turn Clutch allows for fast, quiet, and reliable adjustment of stand height on the fly at shows or in studios.

Strong Materials

Mic tubing is steel, powder-coated and .87" in diameter.

Weighted Round Base

Stable weighted round base that attaches with just a few turns.
