

NUC-Z-BDM

NUC-Z-KBD

NUCLEUS-Z PRO STUDIO DESK NUC-Z-PRO/18122

The Nucleus-Z Pro has everything most users will need from a modern production desk. The included Nucleus-Z Keyboard Shelf gives you flexible shelf that matches the sleek profile of the desk and provides ample space for an 88-key controller, or a combination of computer keyboard, mouse and your favorite close-to-hand controllers and hardware.

SUPPORT BRACE

Both the keyboard shelf and the main desk have a stiffening support brace across the under side of the table tops to ensure rigidity and strength.

RACK SPACES

The built in second tier features two 4-space rack modules.

CABLE MANAGEMENT

The desk has a small metal tray underneath main desk surface for managing cables.

GROOVE FOR LED LIGHTING

Both the keyboard and table top shelves feature a recessed channel on the underside for installing LED lights (LED lights not included).

LEVELING LEGS

The keyboard shelf and the main desk have leveling legs for uneven surfaces.

POWDER COATED FINISH

All Nucleus series desks are constructed from MDF (Medium Density Fiberboard) and coated with a durable, patented powder coat finish.

Nucleus Navigator NUC-Z-PRO, item#18122 Specs (Each Component Can be Purchased Separately)

- Part Name: NUC-Z-BDM
- Part Number: 18113
- Width: 64"
- Depth: 28"
- Height: 41.9"
- Main Worksurface
- Height: 34.6"
- Main Worksurface Depth: 23.5"
- Secondary Surface Height: 41.9"
- Secondary Surface Depth: 12"
- Leveler Adjustment: 1"
- 19" Rack Spaces: 8
- Weight: 80 lbs.

- Part Name: NUC-Z-KBD
- Part Number: 18114
- Width: 59.8"
- Depth: 22.4"
- Height: 27.5"
- Worksurface Width: 59.8"
- Worksurface Depth: 18"
- Clearance between desk & keyboard shelf: 6.13"
- Leveler Adjustment: 1"
- Weight: 40.5 lbs.
