

Nucleus-Z Navigator Studio Desk NUC-Z-NAV/18116

The Nucleus-Z Navigator is the fully expanded flagship model of the Nucleus-Z line. The Navigator includes the Nucleus-Z Keyboard Shelf, a removable shelf that matches the sleek profile of the desk and gives you ample space for an 88-key controller, or a combination of computer keyboard, mouse and your favorite close-to-hand controllers and hardware. Finally, the Navigator includes the Nucleus-Z Rack 8 space rack unit.

Support Brace

Both the keyboard shelf and the main desk have a stiffening support brace across the under side of the table tops to ensure rigidity and strength.

Rack Spaces

The built in second tier features two 4-space rack modules. The sliding floor rack is an 8-space module, giving your ever-expanding studio 16 rack spaces out of the box.

Cable Management

The desk has a small metal tray underneath main desk surface for managing cables.

Groove for LED Lighting

Both the keyboard and table top shelves feature a recessed channel on the underside for installing LED lights (LED lights not included).

Leveling Legs

The keyboard shelf and the main desk have leveling legs for uneven surfaces.

Powder Coated Finish

All Nucleus series desks are constructed from MDF (Medium Density Fiberboard) and coated with a durable, patented powder coat finish.

Nucleus Navigator NUC-Z-NAV, item# 18116 Specs (Each Component Can be Purchased Separately)

- Part Name: NUC-Z-BDM
- Part Number: 18113
- Width: 64"
- Depth: 28"
- Height: 41.9"

- Main Worksurface Height: 34.6"
- Main Worksurface Depth: 23.5"
- Secondary Surface Height: 41.9"
- Secondary Surface Depth: 12"
- Leveler Adjustment: 1"
- 19" Rack Spaces: 8
- Weight: 80 lbs.

- Part Name: NUC-Z-KBD
- Part Number: 18114
- Width: 59.8"
- Depth: 22.4"
- Height: 27.5"
- Worksurface Width: 59.8"

- Worksurface Depth: 18"
- Clearance between desk & keyboard shelf: 6.13"
- Leveler Adjustment: 1"
- Weight: 40.5 lbs.

- Part Name: NUC-Z-RCK
- Part Number: 18115
- Width: 20.6"
- Depth: 17.6"
- Height: 25.2"
- Leveler Adjustment: .625"
- 19" Rack Spaces: 8
- Weight: 15.3 lbs.
