

ULTIMATE SUPPORT®

QUICKRELEASE ADAPTER FOR MICROPHONE STANDS QR-1 & QR-5

The QR Series Quick Release Adapter from Ultimate Support is the perfect tool for quickly swapping microphones in the studio or on stage. The bottom half threads onto a 5/8" microphone stand while the top half threads into a 5/8" threaded microphone clip. To disconnect the two, simply pull down on the lower half while lifting up on the top half! Quick Release Adapters are available in single units (QR-1) or Packs of 5 (QR-5).

QR KEY FEATURES

STANDARD 5/8" THREAD

The QuickRelease attaches to your mic stand via standard 5/8" threading, making it usable on most standard US microphone stands.

QUICK RELEASE

The QuickRelease is easy to use, just pull down on center body and lift. Change out mics without wearing out the threading.

LASTING DURABILITY

Constructed of metal components for longer and more dependable use.

QR-5 CASE

The QR-5 comes with 5 QuickRelease adapters and a hard case for storage.
