

ULTIMATE SUPPORT®

TELELOCK® SPEAKER STAND TS-99B

The TeleLock® Series speaker stands from Ultimate Support are extraordinarily strong yet lightweight thanks to their oversized, thick-walled aluminum tubing. They're everything you'd expect from an Ultimate Support speaker stand: Strong, sturdy, lightweight, 100% field serviceable, and easy to set up and take down. The Auto-Lock technology securely grips the telescoping tube in place as you set its height.

TS-99B KEY FEATURES

TELELOCK® LIFT ASSIST

The Patented TeleLock collar provides secure assistance as you raise, lower and adjust the stand height.

DIE-CAST FITTINGS

Strong die-cast fittings are found throughout the stand and help support key components like the tripod legs and telescoping tube.

OVER-SIZED TUBING

Our speaker stands are made with over-sized tubing for greater strength and dependability.

PATENTED TRIPOD DESIGN

Ultimate Support's patented tripod legs are designed for strength and durability. The legs are designed to be easily replaced over a lifetime of use.
