

# 24" x 24" x 2" WEDGE-STYLE PROFESSIONAL ACOUSTIC PANELS – QTY 12 UA-WPW-24\_12

## Ultimate Acoustics Wedge-Style Acoustic Panels

The UA-WPW-24\_12 professional acoustic panel is the perfect choice for small, medium, or large rooms looking for both traditional style and professional results.

### Traditional Style!

Wedge cuts deliver a classic design while the acoustic foam helps control troublesome mid-to-high frequencies. UA-WPW-24\_12 panels can be installed in a variety of patterns, creating a custom, stylish look that reflects the needs and the personality of your room. Hang them as squares, diamonds, or any combination of both to get your space looking and sounding the way you want it to!
