## Instructions for Assembling Right 24" Extension and Side Leg with Core Table

### Included Parts with the 24" Extension - BOX 6

	24" Extension Table Top - Right	<b>x1</b>
--	---------------------------------	-----------

### Additional Parts Needed from other boxes - BOX 1, 2 & 8

	Assembled core table with legs (Instructions for assembling core table and legs are included in box 1 & 2)	<b>x1</b>
	1/4 - 20 x 5/8" Pan Head Screw (Included with core table and side leg, box 1 & 8)	<b>x16</b>
	Assembled side leg (Instructions for assembling side leg are included in box 8)	<b>x1</b>

Lay 24" extension face down with holes facing up. Place assembled side leg on 24" extension and line-up all eight holes. Attached table top and side leg together with eight pan head screws (1/4 - 20 x 5/8").

Slide the 24" extension onto the three dowel rods and line-up holes with the two brackets on the core table. Use the eight pan head screws (1/4 - 20 x 5/8") that came with the core table assembly (Box 1) to attach 24" extension.
