JS-PB200 item #17986
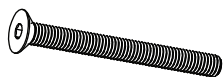

JamStands Small Pedalboard Parts

Pedalboard

Clamping Bar

(2) Screws

(2) Wing Nuts

Clamping Bar

Wing Nut

POWER SUPPLY

Pedalboard

Note: For best results, we recommend mounting your power supply prior to placing pedals on your JS-PB200.

Step 1 Flip pedalboard upside down and locate power supply clamp.

Step 2 Loosen wing nuts and lift up the clamp

Step 3 Slide power supply under bar

Step 4 Tighten wing nuts to secure power supply.
