CLASSIC GIN & TONIC

KIRSTY'S GIN

25ml – £5.50

Award-winning gin named after Arbikie's master distiller, Kirsty Black, who has carefully selected local botanicals which represent Arbikie's unique surroundings. She uses kelp, carline thistle and blaeberry, which embody the elements of ocean, rock and land that surround us.

On the nose – Fresh and crisp, black pepper and seaside character.

On the palate – Creamy and floral with notes of black pepper and citrus.

Pairs well with London Essence Indian or Elderflower Tonic.

NÀDAR GIN

Arbikie's revolutionary climate-positive gin, Nàdar – which is Gaelic for 'nature' – harnesses the power of nature and science to create the world's first climate-positive spirit. Saving 1.54kg of CO₂ per 700ml bottle, this gin is at the forefront of fighting climate change and biodiversity loss.

On the nose – Citrus leaf and lemongrass.

On the palate – Smooth, silky and refreshing.

Pairs well with London Essence Cucumber, Grapefruit or Rhubarb Tonic.

AK'S GIN

This characterful gin is named after Alexander Kirkwood Stirling (aka AK), the father of Arbikie's founders. This Scottish farm-to-bottle gin is a tribute to AK. The spirit is created entirely on our estate using our own wheat and water, weaving in botanicals to give the gin earthy and spicy hints. Honey is added for a subtle smoothness, reflecting the essence of AK.

On the nose – Sweet, earthy and spicy.

On the palate – Smooth, sweet honey and pepper.

Pairs well with London Essence Indian or Rhubarb Tonic.

LONDON ESSENCE TONIC

Choose your favourite tonic from our London Essence whirlpool tap.

Indian, Elderflower, Rhubarb, Cucumber or Grapefruit.

VODKA HIGHBALLS

35ml - £7

NÀDAR VODKA & LONDON ESSENCE SODA WATER

Nàdar means "Nature" in Gaelic, and, is the world's first climate-positive vodka. It is distilled from peas, which add nitrogen to the soil during the growing process and reduces the need for traditional synthetic fertilisers which create CO₂ during their production process.

This vodka features a vibrant and spicy taste alongside a contrasting floral nose.

Topped with London Essence Soda Water and garnished with a wedge of lime.

TATTIE BOGLE VODKA & LONDON ESSENCE GINGER BEER

Scotland's first potato vodka. Named after the Tattie Bogle - an ancient Scots name for the scarecrow guarding the potato fields. We use potatoes grown on the family farm to produce a vodka of unrivalled character, with a silky creamy finish and an ultra-smooth velvety taste.

When topped with London Essence Perfectly Spiced Ginger Beer it creates a refreshing vodka highball. Garnished with mint and lime.

HAAR VODKA & LONDON ESSENCE WHITE PEACH & JASMINE SODA

Named after the rolling and chilly coastal fog that frequently envelopes the distillery on the East Coast. This vodka is creamy with hints of vanilla, spice and caramel.

Paired with the wonderful White Peach & Jasmine Soda from London Essence to create a floral, delicate and light serve. Garnished with a slice of ginger and a sprig of mint.

35ml - £7

ARBIKIE CHILLI VODKA & LONDON ESSENCE ROASTED PINEAPPLE SODA

Arbikie Chilli Vodka captures the spice and smokiness of the chipotle along with the earthiness of our potato vodka to create a perfect blend of spice and flavour. Homegrown chipotle chillies are smoked in a whisky cask, then soaked in our vodka to create a natural product with no extracts, colours or concentrates added.

This is perfectly complimented with London Essence Roasted Pineapple Soda, which contains basil to balance the sweetness. Garnished with an orange twist.

ARBIKIE STRAWBERRY VODKA & LONDON ESSENCE CRAFTED LEMONADE

Arbikie Strawberry Vodka is naturally fruity, sweet, smooth and refreshing, with hints of butterscotch from our homegrown wheat creating the base spirit and a glorious strawberry jam aroma.

Paired with London Essence Crafted Lemonade and garnished with lemon and strawberry.

GIN HIGHBALLS

35ml - £7

ARBIKIE NÀDAR GIN & LONDON ESSENCE GRAPEFRUIT SODA

Meaning "Nature" in Gaelic, Nàdar is the world's first climate-positive gin. Made from peas, it is smooth, silky and refreshing with fruity and citrus notes.

Paired with London Essence Pink Grapefruit Soda and garnished with lime zest.

KIRSTY'S GIN & LONDON ESSENCE INDIAN TONIC

Named after our Master Distiller, Kirsty Black. Local botanicals of kelp, carline thistle and blaeberrys are used to create a wonderful creamy gin with seaside character. Aromatic notes of pine and black pepper, with citrus and floral notes on the palette.

Paired with London Essence Indian Tonic and garnished with lemon and blueberries.

AK'S GIN & LONDON ESSENCE GINGER ALE

Named after Alexander Kirkwood Stirling (aka AK) the father of the Stirling brothers and their inspiration for starting Arbikie Distillery.

Honey, black pepper and cardamon are the featured botanicals, pairing wonderfully with London Essence Ginger Ale which adds peppery notes while creating a very refreshing highball and a twist on a classic G&T. Garnished with a sprig of mint.
