

by DRYTREAT

PREMIUM IMPREGNATING SEALER

PREVIOUSLY KNOWN AS STAIN-PROOF™ ORIGINAL

Permanent-bonding impregnating sealer designed for use as premium stain protection. Helps protect against efflorescence, picture framing, freeze-thaw damage and salt damage. Treated surfaces are easier to clean and retain breathability, existing color and finish. For indoor, outdoor, residential and commercial use.

BENEFITS

- Premium water and oil repellence for superior stain protection: Rated Class 5 when tested in accordance with ISO 10545-14: Determination of Resistance to Stain.
- Unique super-penetrating, permanent bonding technology for long lasting protection. 15 year written performance warranty can be provided if applied by a Stain-Proof Accredited Applicator*
- Protects against efflorescence, freeze-thaw and salt spalling damage. (NOTE: Softer materials, including limestone, sandstone and travertine in a freeze-thaw or salt water environment need extra protection - use Stain-Proof 40SK Consolidator and Water Repellent).
- Retains natural surface color and finish. Treated surfaces are easier to clean and dry quickly, even after heavy rain.
- Super breathable formula: Water vapor escapes freely, preventing harmful moisture buildup inside the treated material.
- Stands up to commercial cleaning methods.

*A fifteen year performance warranty is offered when product is applied by an accredited applicator and surface is maintained regularly, as outlined in our warranty document. Visit our website at www.stain-proof.com to find your nearest accredited applicator.

PERFORMANCE SEALER

150 Dascomb Rd, Andover, MA 01810 • USA • 1866 667 5119
30-32 Assembly Drive Tullamarine, Vic, 3043 • Australia • 1800 786 617

SCIENCE PROVEN SYSTEM

STAIN-PROOF'S IMPREGNATING SEALERS AND CLEANERS

THE TECHNOLOGY THAT SETS US APART

Stain-Proof® sealers are formulated using a unique sealing technology – our sealer molecules are approximately 400+times smaller than other impregnators and penetrate much further into the pores to form a deeper water and oil repellent barrier, providing optimum protection to surfaces such as natural stone, bricks, pavers, tiles, engineering concrete and grout. **Stain-Proof also offers daily and heavy-duty cleaners specifically formulated to tackle a variety of needs. To choose the perfect care and maintenance solution for your project, visit stain-proof.com.**
