

Real Estate & Developers Client Gifting

Jule's Baskets has a wide selection of heart and housewarming gifts that are sure to impress your clients whether they are buying or selling. Treat them to a hand-selected basket brimming with gourmet goodies, healthier alternative lifestyle products or a culinary assortment to stock their new pantry. Cultivate these important relationships with a Jule's Basket as they are sure to make a long lasting impression and lead to blissful business referrals.

Allow Jule's Baskets to be your full service gifting experts! Whether you are a real estate agent, custom home builder or condo/home developer, we will look after every step gifting program. We curate beautiful and practical housewarming gift baskets for clients or large orders for entire new developments.

CLIENT BASKETS CAN INCLUDE

- Luxurious bamboo bed sheets
- Cutting boards and kitchen utensils

BRAND YOUR CLIENT'S BASKETS

As a full-service gifting company, we are happy to add your brand or customize any of our baskets to fit your needs. We will require these requests and materials 2-3 weeks in advance of your delivery date.

ADD YOUR LOGO

- Add your logo to the front of the basket
- Additional charge on large orders

CUSTOM RIBBON

- Add your logo or company's colours to the ribbon
- Additional charge on large orders

CUSTOM GREETING CARD

- Add a custom greeting card with your company's logo
- Additional \$2.50/unit

Housewarming Basket

Warm their house and heart with a bounty of snacks, teas and health-conscious products to help them stock their new home.

These culinary collections of gourmet ingredients are the perfect way to inspire fun in the kitchen and impress even the most discerning palettes.

\$291

Customize Your Baskets

We love nothing more than to offer personalized and exceptional service to meet all of your needs. Tell us about your client(s) and we will curate a beautiful gift for them.

We offer special diet options (gluten free, nut free, vegan and more), the option to add your own branded products or by adding a wicker basket rather than a white market tray.
