

**P**ASSIONS  GRILL

# Wood & Charcoal Range

## Cute

The **Cute** outdoor fireplace offers elegance style and longevity with its stainless steel construction. Its numerous accessories increase ways of usage and its 4 wheels give a great mobility.

|                   | XL     | L      | M      |
|-------------------|--------|--------|--------|
| Outer Diameter    | 90 cm  | 78 cm  | 66 cm  |
| Internal Diameter | 75 cm  | 65 cm  | 55 cm  |
| Height            | 242 cm | 242 cm | 242 cm |

## Passion

The stainless steel construction of the **Passion** outdoor fireplace gives it style and longevity by its sleek design and bevelled body. Available in one size, it will fulfill all your expectations

|                   |        |
|-------------------|--------|
| Outer Diameter    | 70 cm  |
| Internal Diameter | 55 cm  |
| Height            | 233 cm |

## Sonsy

For the production of the **Sonsy** outdoor fireplace, Passionsgrill uses the same high quality stainless steel like in all of their products. Thus, these fireplaces resist all weather conditions for many years

|                   | XL     | L       | M      |
|-------------------|--------|---------|--------|
| Outer Diameter    | 95 cm  | 82,5 cm | 72 cm  |
| Internal Diameter | 70 cm  | 60 cm   | 50 cm  |
| Height            | 250 cm | 250 cm  | 250 cm |

## Shine

The **Shine** outdoor fireplace was created for more demandig customers. It is characterised by its double wall back, conic and a chimney lined with rock wool. Alongside with these features a sliding glass door makes it the most secure product and the most unique.

|                   | XL     | L      |
|-------------------|--------|--------|
| Outer Diameter    | 100 cm | 87 cm  |
| Internal Diameter | 70 cm  | 60 cm  |
| Height            | 250 cm | 250 cm |

## Galaxy

The **Galaxy** model is designed in the same style and quality as all Passionsgrill products. It is 304L stainless steel with a 12mm steel plate on top. With 4 wheels it is easy to move, and easy to clean because of an ashtray. Extra accessories are a grill and a wok and a little hat for protection .

|                |        |
|----------------|--------|
| Outer Diameter | 90 cm  |
| Height         | 100 cm |

# PASSIONS GRILL

Passionsgrill outdoor fireplaces are made of stainless steel. Thanks to the quality of their materials and their contemporary design, they guarantee a long lifetime and flawless operation.

With their different cookware (wok, grill, electric rotisserie, etc...), you will experience unforgettable culinary highlights while enjoying their warmth for your evenings outdoors.

Passionsgrill outdoor fireplaces combine the fireplace function and barbecue with its cooking grid.

They will be a real source of light and heat on your patio or in your garden, they will illuminate your evenings to create a lounge atmosphere.

For cool days and evenings, Passionsgrill outdoor fireplaces will warm up the atmosphere and will soon be essential.

You'll love using the gas barbecue for your outdoor meals.

Live the experience of an outdoor fire on your deck or in your garden with Passionsgrill outdoor fireplaces. They are adapted to both large gardens and small terraces.

Passionsgrill outdoor fireplaces have four wheels allowing their movement and adaptation to directions of the wind. The regular distribution of warmth (radius of about 4m) is ensured by the refractory bricks located in the foyer.
