CORPORATE SERVICES

ABOUT ART SALES + SERVICES

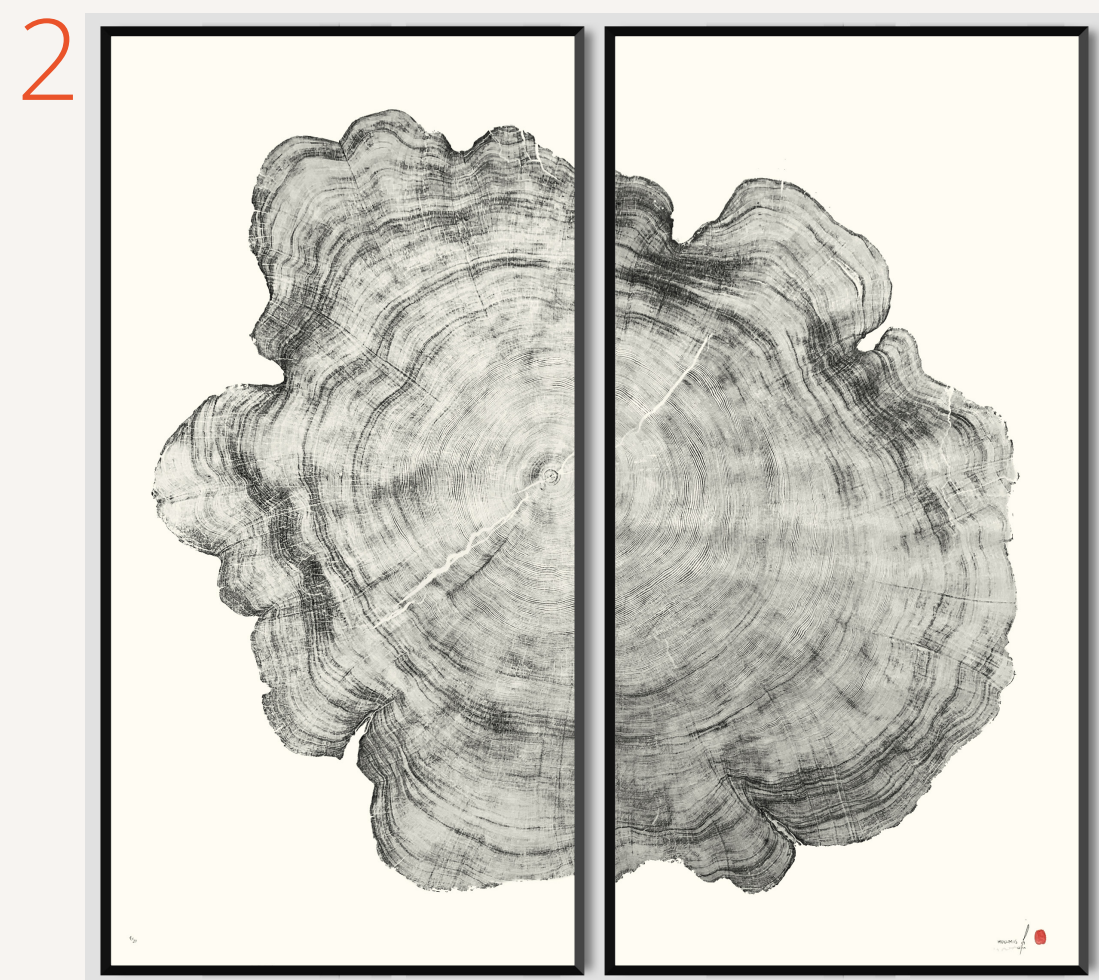

Art Sales + Services is a not-for-profit program operated by the Art Gallery of Hamilton.

Established in 1955, the program proudly supports local and regional emerging and mid-career artists through the rental and sale of their artwork. All proceeds support programming and education at the Gallery.

OUR ARTISTS

Art Sales + Services represents over 80 local and regional artists who benefit directly through the promotion, rental, and sale of their artworks. New artists are invited every year through an open call for submissions that is reviewed by a small, rotating jury during the Art Gallery of Hamilton's Annual Art Sale.

Please find examples of works in this package by a selection of artists currently represented in the program.

OUR PROGRAMS

Art Sales + Services serves residential, corporate, design, and film industry clients throughout Hamilton and the GTA. Most artworks in the program are available for rent or purchase.

Rentals operate on a monthly basis with no long term commitment required. The program is pleased to offer preferred rates on long-term rentals and to Members of the Art Gallery of Hamilton.

The option of art rental makes original artworks more accessible, and provides an opportunity to either try before you buy, or rotate artwork through your space.
