

ROCKHARD COLOR EPOXY COATING KIT

3 GAL. KIT

DESCRIPTION

Xtreme's Rockhard COLOR Epoxy Coating System consists of quality epoxy materials which come pre-pigmented to make a complete 3 Gallon Kit. This system delivers excellence in surface hardness, durability, adhesion, dust proofing, chemical resistance, and smoothness. The two-component epoxy kit includes 2.2 gallons of resin (Part A) and 0.77 gallons of hardener (Part B) and produces beautiful finishes. This pre-tinted kit works great for commercial kitchens, concrete flooring, industrial warehouses, garage floors, concrete countertops, and more. **Glitters, topcoats, flakes/chips, and applicator tools are sold separately.*

FEATURES & BENEFITS

- 100% solids, self-leveling & VOC compliant.
- Excellent adhesive properties that bonds to substrate.
- Low VOC produces less odor for safer interior applications.
- Surfaces must be dry and free of contaminants before installation.
- Applications are chemical-resistant and environmentally-friendly.
- May apply several layers over initial application once material fully cures.
- Provides dense surfaces that's easy to clean and bacteria/moisture resistant.
