

## GENIE MAGIC WALK BEHIND SCRUBBER

MUST HAVE BATTERY-OPERATED AUTO FLOOR SCRUBBING MACHINE

### DESCRIPTION

The Genie Magic is a durable floor-scrubbing device that is practical for cleaning fanatics! This powerful walk-behind battery-operated auto floor scrubber is designed for most cleaning applications and facility sizes. This machine combines a large cleaning path of 20 inches with a long-lasting battery and charger on board. As a result, you won't have to worry about moving electric cords or finding a charger once you're done cleaning hard floor surfaces. Primarily used for versatile floor cleaning and regular maintenance on concrete, marble, granite, tile, carpet, and hardwood floors.
