

## QUARTZ SAND SYSTEM

QUARTZ SAND SYSTEM IS COLORED QUARTZ THAT ADDS UNIQUE BEAUTY, TEXTURE, AND DURABILITY TO EPOXY FLOOR COVERINGS, SWIMMING POOL PLASTER, AND A VARIETY OF OTHER FINISH MATERIALS. WE COAT NEARLY 100% QUARTZ SAND WITH A SPECTRUM OF COLORS TO GENERATE A VIVID PRODUCT THAT WON'T BLEED OR FADE WITH OUR UV, CHEMICAL, AND ACID RESISTANCE.

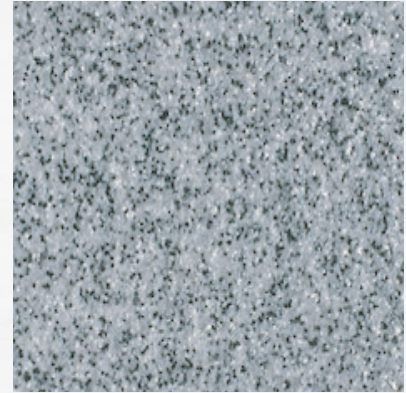

RESINS, SEALANTS, AND NATURAL SURROUNDINGS ALL PLAY A PART IN DETERMINING FINISHED COLOR AND APPEARANCE. WE RECOMMEND CONFIRMING THE ACTUAL COLOR AND TESTING IN A SMALL AREA BEFORE APPLYING AND INSTALLING YOUR COMPLETE PROJECT. ALL PRODUCT IS SOLD IN SOLID COLORS. FOR BLENDING, SEE YOUR QUARTZ SAND SYSTEM DISTRIBUTOR.
