# Hebe SERIES

The Hebe series updates the classic lamp with bold shapes and an artistic touch. Initially sculpted by hand, the fluid silhouette of the base is inspired by nature and has a feminine note. Made of ceramic, the base has an either matte, coarse, and dark finish or a high-gloss glazing.

Combine it with one of the matching textile lampshades of the series, available in a natural off-white or bolder curry. The classically styled shade adds an elegant feel to the modern base, and together, the two certainly make a grand statement.

Based on a passion for authentic design and clear functionality, we challenge ourselves to shape the future and take pride in creating products that help you balance the contrasts of life.

Our soft forms, rich textures and deep colours allow you to create an authentic and composed atmosphere, while avant-garde shapes, striking patterns and curious details add a touch of the unexpected.

From our base in Copenhagen, we work with artisans around the world, fusing our Scandinavian mindset with global skills and traditions. We take our responsibility to people and the planet seriously and expect the same of our partners.

We create collections of furniture, accessories and lighting, so you can create space to feel comfortably you.
