Nonchalant elegance

Suitable for both private settings and public spaces, the Ace furniture range stands out for its friendly, organic lines in a design of timeless and nonchalant elegance. With their high backrest and luxurious upholstery, the Ace chair and bar chair offer comfort to sit for hours at a time, ideal for dining or long meetings. The upholstery is an essential component of the Ace range and is carried out by skilled upholsterers, who practice their craft with precision. Rounded contours emphasize the inviting volume of the full upholstery and are framed elegantly by the piping around the seat and back.

Product Facts

Description

With a recurring design trait of friendly, organic lines, the Ace range offers maximum comfort in condensed form.

Designer / Year Of Design

Hans Hornemann / 2016

Material

Shell: Veneer with PU foam, steel reinforcement upholstery.
Legs: Powder coated steel.

Construction

Ace has a backrest constructed from molded PU foam on a base of molded veneer for flexibility and the highest possible sitting comfort. The seat is made of molded PU foam with a steel reinforcement.

Maintenance

Textile: Clean with textile or upholstery cleaner.
Leather: Clean with damp cloth. Use warm water with soap flakes.
Frequent vacuuming with a soft fitting is recommended for both textile and leather to preserve color and appearance.
Please be aware that sharp objects can leave marks.
We recommend to check and tighten screws every 3-6 months.
Please make sure your choice of glides is suitable to the type of flooring. We recommend to check the glides every 3-6 months.
If worn down, please replace.

Accessories

Comes with PE/POM glides. Felt glides can be purchased separately. See Glides Overview.
