Furniture for a new era

The design is well-proportioned, the lines are sharp and the feel is contemporary. Expressing a sophisticated calmness that invites the sitter to pure and unreserved relaxation, Era demonstrates the art of refined proportions. A design in which the interaction between soft curves and straight lines is done just right. An incredibly strong construction makes the Era series well-suited for commercial spaces. The same level of care proceeds to the upholstery and stitching, which are carried out with the utmost artisanal precision to flawlessly dress the sleek silhouettes. With its streamlined design and high quality, Era is designed to transcend generations.
